Orchestrating the Right Solution

Using CSI (Continuous Service Improvement) principles, SmartCIP (Continuous Improvement Program) focuses on improving Service Management in your organization. Our Support Services consultants meet with you to provide the resources, impetus and accountability necessary to keep improvement initiatives from being lost in the clutter of the many demands on your time.

Benefits You Will Receive:

- Designated consultant assigned to your company
- Regular review sessions with Senior/Principal Consultants
- Access to all CDW development experts to resolve any issue or answer any question
- Flexible quarterly options starting at 80 hours per quarter
- Automatic renewal
- Free technical support incidents within 15 minutes (limit one per day)
- ServiceNow System Administration services
- Rates guaranteed for length of contract

Continuous improvement gives you the satisfaction of knowing that you have help if and when you need it. It ensures increasing ROI by providing continued development and support from ServiceNow-certified developers. These resources provide best practice consulting with an eye toward the future and a focus on utilizing the ServiceNow platform to its fullest potential.

CDW’s SmartCIP can help you achieve:

- Reliability
- Operational Efficiencies
- Reduced Risk
