

## **CDW Canada Awarded Multi-Year Contract by Canada’s Largest Healthcare Procurement Services Organization: HealthPRO**

**Etobicoke, ON — August 1, 2017** — [CDW Canada](#), a leading provider of technology solutions for Canadian organizations in the public and private sectors, is delighted to announce that it has been awarded a contract by HealthPRO, Canada’s largest healthcare procurement services organization. This multi-year relationship allows CDW Canada to supply Ergotron healthcare solutions, including medical and clinical procedure carts, telehealth carts, point-of-care wall mount products, charging systems, sit-stand workstations, and more, to HealthPRO members which include, provincial health authorities, hospitals, and shared service organizations across the country.

Founded in 1996, HealthPRO represents the purchasing interests of healthcare facilities, shared service organizations and provincial authorities across Canada. Through its national aggregated purchasing power, HealthPRO helps member shareholders maximize savings across many vastly used, high quality products and services, thereby contributing to the sustainability of Canada’s healthcare system.

This agreement further strengthens CDW Canada and Ergotron’s ability to continue to provide healthcare solutions that deliver productivity gains and improve patient care to healthcare facilities across Canada.

### **About CDW Canada**

CDW Canada is a leading provider of technology solutions for business, government, education and healthcare. Ranked the No. 1 solution provider in Canada on the Computer Dealer News Top 100 Solution Providers list for four consecutive years, CDW Canada helps customers achieve their goals by delivering integrated technology solutions and services that help customers navigate an increasingly complex IT market and maximize the return on their technology investment.
