

On-Premises Virtualized Workload to AWS Native Migration Strategy Consultation

Cloud

SERVICE OVERVIEW

This complimentary 60-minute consultation with CDW Canada's solutions architects provides valuable insights into your migration opportunities. During the session, experts assess your current on-premises hypervisor environment, workloads and licences. They explore potential applications suitable for migration and review your existing software licensing requirements, offering strategies for perpetuating, renewing or modernizing licences on AWS.

SERVICE FEATURES

- Assessment of on-premises hypervisor environment, workloads and Licences
- Explore possible applications that could be migrated to reduce the on-premises hypervisor licensing
- Offer strategies for a migration to AWS

WHAT WE DO

A 60-minute meeting with the customer about migrating to AWS from on-premises hypervisors.

PREREQUISITES

- Willingness to discuss on-premises hypervisors alternatives.

WHY CDW?
