

COMPANY FACT SHEET

The world's digital infrastructure company™

We give digital leaders one global platform to combine all the right places, partners and possibilities they need to thrive in a digital world.

Fast-track your digital advantage

We believe digital infrastructure should be your greatest source of competitive advantage. But to get there, you need one place to bring together and interconnect the foundational infrastructure to power your success.

On Platform Equinix®, you can scale with agility, speed the launch of digital services, deliver world-class experiences and multiply their value.
