WHY ESET CYBERSECURITY AWARENESS TRAINING?

SECURITY, DON'T BE STATIC

1/3
Nearly 1/3 of all data breaches in 2018 involved phishing.

60%
As many as 60% of hacked small and medium-sized businesses go out of business after six months.

90%
More than 90% of malware is distributed via email.

$3.92 million
The global average cost of a data breach is $3.92 million

COMPLIANCE, BE PROACTIVE

✓ Part of a good corporate compliance program can aid in maintaining a healthy reputation and reducing costs related to litigation or disruptions to business.

✓ International compliance standards such as HIPAA, PCI, SOX, GDPR, or CCPA may require or strongly encourage training for all employees.

✓ Insurance companies are increasingly recommending employee training programs in managing cyber risk.
