

CSP Support Services

CDW Canada

WE MAKE AMAZING HAPPEN

The CSP Support Services offered by CDW are designed to provide comprehensive support and management for Microsoft licences. This service is tailored to meet the needs of businesses looking to streamline their operations and enhance their digital capabilities.

We help customers achieve their outcomes:

Innovation

Cost

Agility

Risk

Experience

CDW GETS MICROSOFT

CDW recently became Microsoft's top partner in multiple areas ranging from technical proficiency to services capabilities, and we've earned that through training our 40+ dedicated Microsoft and 100+ security professionals up to gold standard level.

Resources available to our customers:

- A dedicated portal to manage your own licence (csp.cdw.ca)
- A team of highly certified Microsoft solution architects with 30+ Microsoft certifications
- A dedicated Microsoft solutions specialist who is your first point for all things Microsoft

At CDW, we don't just concentrate on implementing new technology; we are committed to guiding our clients throughout their journey and fostering user adoption.

WHY CDW?

At CDW, our Circle of Service philosophy is the heart of everything we do. Imagine a trusted guide leading you through the intricate maze of technology, ensuring you find the perfect solutions for your business needs. That's us. We offer a vast array of services, from hardware and software products to integrated IT solutions, acting as an extension of your team to provide customized solutions that fit your unique requirements.

As technology evolves, so do we. We're constantly advancing to bring you the latest and most innovative solutions. Our Circle of Service is all about a comprehensive, full-stack and full-lifecycle partnership. We stand by your side through every phase of the IT hardware and software lifecycle, from acquisition and implementation to renewals and operations. With our professional and managed services, you can count on seamless support every step of the way.
