

# Surface Hub 2S: Built for team collaboration anywhere they work

Give teams the flexibility to collaborate wherever they work—using Surface Hub 2S 85" or Surface Hub 2S 50". Enable teamwork anywhere with the Surface Hub 2S family of devices, a Microsoft Teams-certified meetings platform and modern collaborative canvas that brings teams together.

## Bring remote teams together

- A powerful Microsoft Teams-certified meetings platform for every team, wherever they meet. For smaller spaces, Surface Hub 2S 50" is a perfect fit. For a large-room meeting experience, choose Surface Hub 2S 85".
- Make better human connections when facial expressions and body language come to life on a large, brilliant 4K screen. Images and video appear crisp and clear.

## Collaborate better together

Whether in the office or working remotely, today's hybrid teams need to be able to collaborate now more than ever. Share files and work together seamlessly in Microsoft Whiteboard and Microsoft 365 apps.<sup>1</sup> Natively run Microsoft Teams, Microsoft Edge, and your essential third-party business apps.<sup>2</sup>

## Make any place teamwork space

Find the right fit for every team. Whether your space is small and intimate, or large enough to need a robust, Microsoft Teams-certified experience—and even if your teams are on the move—you can configure the perfect meeting space with your choice of Surface Hub 2S, accessories, and Windows OS.

Surface Hub 2S 85" coming January 2021. Pre-release product shown; product and features subject to change and may vary by country/region. Products and features subject to regulatory certification/approval; actual sale and delivery is contingent on compliance with applicable requirements.
