Integrations and plugins

In addition to the ESET PROTECT Platform, ESET is investing, with priority, in an open API gateway to empower an impressive catalogue of integration partners, including SIEM, CTI, RMM and PSA vendors.

This is ESET

Proactive defense. Minimize risks with prevention.

Stay one step ahead of known and emerging cyber threats—targeted attacks, zero-day threats, ransomware, phishing, and more—with our AI-Native, prevention-first approach. ESET combines the power of AI and human expertise to deliver easy and effective protection.

Experience best-in-class, science-driven security, backed by over 30 years of in-house global cyber threat intelligence. Our extensive R&D network, led by industry-acclaimed researchers, powers our award-winning, cloud-first cybersecurity platform. ESET solutions are highly

customizable, include local support, and have minimal impact on performance.

ESET protects your business so you can unlock the full potential of technology.
