

Seagate Storage Upgrade Promotion

When you need a reliable storage systems partner, Seagate® delivers. Elevate your data storage offering by upgrading to the newest generation of storage.

Upgrade Promotion

This Seagate Storage Systems promotion allows end users to upgrade their existing data center storage to today's generation of storage hardware that includes density, capacity, advanced protection, and software features, along with modern self-healing technology.

Upgrade Program Benefits:

- Discounts on Seagate Systems product portfolios.*
- Discounts on Seagate Systems service and support subscriptions.*

Promotion Process:

- Reach out to us or Seagate (systemupgradepromo@seagate.com) to discuss any upgrade opportunities, including the potential of data transfer service. We will work with Seagate to confirm your promotion.

Exos™ X Advanced Storage Arrays

Tightly integrated for maximum capacity and high performance.

Exos CORVAULT™

Self-healing and self-managed storage for enhanced reliability and hands-off performance.

Exos™ E Expansion Storage

Versatile architecture lets you easily scale your business while optimizing cost.

Exos™ AP Mass Storage Servers

Easily scale your data systems while reducing your footprint with our versatile and feature-rich design.
