

# Xerox® Managed Print Services: What are the benefits to you?

The Xerox® Managed Print Services definition is broad, but the end result is simple: gaining visibility and control of your printing, helping you save money and boost productivity. Xerox® Managed Print Services also helps you improve environmental sustainability and document security.

## **MULTI-VENDOR DEVICE MANAGEMENT**

**We manage different makes and models.**

No additional investment needed, and reduce current operational costs.

## **SUPPLIES/CONSUMABLES**

**We monitor your supply levels so that you don't have to.**

Time back to your staff so they can focus on core business. Increase cash flow currently tied in supplies inventory.

## **BREAK-FIX SERVICES**

**We monitor your device status so that you don't have to.**

Ensure that your printer is running efficiently at all times so that you get maximum productivity and don't get stuck with a broken device.

## **WEB PORTAL**

**We give you the power to order supplies and view your device status anytime.**

No wasted time. Order when you want.

## **CONSOLIDATED INVOICES/BILLING**

**We provide you with one summary bill every month.**

Reduce time in processing invoices. Get information at your fingertips to help make better business decisions.
