

CDW Canada Achieves Cisco's Core Security Solution Specialization

CDW is the only partner in Canada to achieve the specialization for Core Security Solutions

Toronto, ON – January 19, 2024

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations, announced today that it has achieved Cisco's Core Security Solution Specialization. Cisco solution specialization designations are awarded to qualifying partners that demonstrate expertise in key industry solutions and expand existing partner-level service offerings.

"Achieving the Core Security Solution Specialization showcases our team's industry leading expertise in preparing, defending and responding in an ever-evolving threat landscape," said Ginette Adragna, Vice President and General Manager, CDW Canada. "Armed with our specializations, we take pride in advancing our partnership with Cisco to deliver sophisticated solutions that add significant value for our customers."

Cisco's Core Security Solution Specialization recognizes CDW's proven ability to provide advanced and value-enhanced Cisco solutions through their in-depth sales capabilities, technology skills and service offerings. The Core Security Solution Specialization demonstrates CDW's ability to protect networks with Cisco's integrated security and networking solutions, blocking malware threats without sacrificing network performance.

CDW is the only partner in Canada to achieve the Core Security Solution Specialization and the only partner in Canada to have achieved all nine solution specializations.
