

CDW Canada Achieves Cisco Commercial & Industrial IoT Solution Specializations

CDW Canada is the only partner in Canada to have both IoT solution specializations

Toronto, ON, Canada – March 1, 2024

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations announced today that they have achieved Cisco's Commercial and Industrial IoT Solution Specializations.

Cisco's Commercial IoT Solution Specialization recognizes CDW's ability to empower customers in commercial settings by delivering tailored solutions that enhance connectivity and convenience. The Industrial IoT Solution Specialization demonstrates CDW's ability to support customers by crafting robust, secure solutions that prioritize simplicity, elevate efficiency, drive productivity and optimize processes, even in the most challenging environments.

"As the first partner in Canada and globally to achieve these Solution Specializations we are proud to be able to help our industrial customers achieve strategic value as they navigate the complexities of digital transformation," said Ginette Adragna, Vice President and General Manager, CDW Canada. "We continue to demonstrate our advanced expertise and ability to create comprehensive solutions for customers."

"CDW Canada's proactive approach to strengthening its presence in the Industrial sector is impressive. It's truly exciting to witness CDW Canada's pioneering spirit as they become the first to attain our new IoT solution specialization," said Robyn Burkes, Director, Americas IoT Sales, Cisco.

CDW is the only partner in Canada to achieve the Commercial and Industrial IoT Solution Specializations and the only partner in Canada to have achieved all eleven solution specializations.
