

CDW Canada Joins the Microsoft Intelligent Security Association

Toronto, ON, Canada – April 17, 2025

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations has joined the Microsoft Intelligent Security Association (MISA), an ecosystem that consists of some of Microsoft’s top strategic security partners.

With a shared goal of improving overall customer security, CDW Canada will work with MISA to stay updated on the latest trends in cybersecurity, further enabling its security experts to deliver solutions for alert detection, threat visibility and cybersecurity proficiency.

“We are incredibly honored to become a member of MISA. The ecosystem enables us to support our shared customers by leveraging CDW’s robust practice and Microsoft’s innovative cybersecurity solutions,” said Ginette Adragna, Vice President and General Manager, CDW Canada. “In this new chapter of our long-standing relationship with Microsoft, we will continue to deliver comprehensive security solutions across Canada to empower ourselves and our customers in achieving the highest in data security.”

“The Microsoft Intelligent Security Association’s vibrant security ecosystem is valuable to our shared customers because it reduces the cost and complexity of integrating disparate tools,” said Maria Thomson, Director, Microsoft Intelligent Security Association.
