

CDW Achieves Advanced Services Delivery Partner Certification from Dell Technologies

CDW Canada demonstrated an Advanced level of services delivery performance while deploying Dell products and solutions to customers.

Toronto, ON – April 19, 2023

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations, is pleased to announce that it has achieved Dell's Advanced Services Delivery Partner certification. This recognition is awarded to authorized Dell partners who demonstrate an advanced level of services delivery performance while deploying Dell products and solutions to customers.

"We are excited to be recognized as a Dell Services Advanced Performing Partner," said Ginette Adragna, Vice President and General Manager, CDW Canada. "This further solidifies our strong relationship with Dell in providing customers with best-in-class products and services. This accomplishment was achieved through the hard work and dedication of CDW Canada coworkers – I look forward to our continued collaboration with Dell throughout 2023 and beyond."

With this recently acquired certification, CDW Canada is qualified to deploy a broad range of Dell solutions, including Avamar, PowerEdge, RecoverPoint, Unity and many more. This enables CDW Canada to continue providing customers with tailored solutions that help solve their unique business problems.
