

## **CDW Canada wins Hewlett Packard Enterprise's Canada GreenLake Partner of the Year award**

*CDW Canada is recognized for achieving distinguished results in delivering HPE's services to customers*

**Toronto, ON, Canada – June 18, 2024**

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations announced today that they have been awarded Hewlett Packard Enterprise's (HPE) Canada GreenLake Partner of the Year at the HPE Partner awards.

The HPE Partner of the Year Awards are given in recognition of partners who exemplify commitment and success in delivering value to customers on their digital transformation journey. This recognition has been given to CDW Canada for achieving meaningful business results for our shared customers, helping unleash their growth potential.

"The 2024 HPE Partner Awards are a recognition of the focus and dedication these companies continue to make in delivering successful business outcomes for their customers," said Simon Ewington, VP of Worldwide Channel & Partner Ecosystem, HPE. "Partnering is in our DNA and celebrating the tremendous investment these winners made in HPE innovation is one way we can showcase the impressive results we deliver together for customers."

"Being awarded HPE's Canada GreenLake Partner of the Year is an incredible achievement," said Ginette Adragna, Vice President and General Manager, CDW Canada. "This award is an embodiment of our partnership in which we continually deliver unparalleled value through our hybrid cloud offerings. We help our shared customers build, manage and accelerate the delivery of technology services to their business, enabling them to optimize performance."

CDW Canada and HPE work together to provide innovative solutions for customers tailored to their business needs to help them achieve their desired outcomes.
