

CDW Canada Awarded Sophos 2023 National Partner of the Year in Canada

Sophos Partner Award Recognizes Outstanding Performance and Commitment.

Toronto, ON – June 28, 2023

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations announced today it has been awarded the Sophos 2023 National Partner of the Year in Canada. CDW is recognized for its outstanding performance and commitment to securing organizations with Sophos' innovative portfolio of cybersecurity solutions and services.

"Cybercriminals are constantly pivoting and refining their techniques. This, plus the complexity of attack methods requires layers of security that protect organizations at every point along the attack chain. By working with Sophos to ensure our joint customers have the defenses they need, Sophos has recognized CDW as Canadian National Partner of the Year," said Kendra Krause, Senior Vice President of Global Channels and Sales Operations, Sophos. "Sophos is honored to work with all of the winning partners that are dedicated to delivering superior cybersecurity outcomes to defeat cyberattacks."

CDW Canada offers a comprehensive range of technology and IT solutions, including their partnership with Sophos, to provide businesses with excellent cybersecurity measures, ensuring protection against cyberattacks and enabling seamless business operations.

"Winning the Sophos 2023 National Partner of Year in Canada award is a testament to our unwavering dedication to delivering superior cybersecurity outcomes for our clients," said Ginette Adragna, Vice President and General Manager, CDW Canada. "Providing organizations across Canada with the strategy and tools to prepare, respond and defend against security threats, along with our key partners, is a main priority for CDW."

About CDW Canada

About Sophos

Sophos is a worldwide leader and innovator of advanced cybersecurity solutions, including Managed Detection and Response (MDR) and incident response services and a broad portfolio of endpoint, network, email, and cloud security technologies that help organizations defeat cyberattacks. As one of the largest pure-play cybersecurity providers, Sophos defends more than 500,000 organizations and more than 100 million users globally from active adversaries, ransomware, phishing, malware, and more. Sophos' services and products connect through its cloud-based Sophos Central management console and are powered by Sophos X-Ops, the company's cross-domain threat intelligence unit. Sophos X-Ops intelligence optimizes the entire Sophos Adaptive Cybersecurity Ecosystem, which includes a centralized data lake that leverages a rich set of open APIs available to customers, partners, developers, and other cybersecurity and information technology vendors. Sophos provides cybersecurity-as-a service to organizations needing fully managed, turnkey security solutions. Customers can also manage their cybersecurity directly with Sophos' security operations platform or use a hybrid approach by supplementing their in-house teams with Sophos' services, including threat hunting and remediation. Sophos sells through reseller partners and managed service providers (MSPs) worldwide. Sophos is headquartered in Oxford, U.K. More information is available at www.sophos.com.
