

CDW Canada Raises \$249,000 Over 10 Years for The Hospital for Sick Children

Etobicoke, ON — July 9, 2018 — [CDW Canada](#), a leading provider of technology solutions for Canadian organizations in the public and private sectors, is thrilled to announce it has raised \$249,000 for The Hospital for Sick Children (SickKids) through the Children’s Miracle Network since it partnered with the hospital 10 years ago. As a direct result of its various fundraising initiatives, the company was named [Donor of the Week](#) by the SickKids Foundation for the week of January 15, 2018.

“CDW Canada has been a proud partner of the Children’s Miracle Network and we are truly honoured to be recognized as Donor of the Week by the SickKids Foundation,” said J.D. Hupp, Vice President and General Manager, CDW Canada. “We’re pleased to be able to support such an important cause. Donating time and raising funds to help the patients at SickKids is always a priority for our coworkers, and we couldn’t be prouder of the continued passion and dedication they share in giving back to the community.”

“We rely on support from the community and are grateful to CDW Canada for their ongoing contributions,” said Seanna Millar, Senior Vice President, Corporate & Community Partnerships, SickKids Foundation. “The funds they raised will go towards our SickKids VS Limits campaign to build a renewed, re-imagined SickKids with cutting-edge operating suites, more room for families and more room for the innovative technologies that will deliver better outcomes for kids.”

In addition to CDW Canada’s annual donation, the organization continues to support the partnership through other ways, including the Hospital’s 2017 Trick-or-Treat event where select CDW coworkers dressed up in costume and gave out toys to patients and their families spending Halloween day at SickKids.
