

CDW Canada Named Veeam's 2025 Value Added Reseller Partner of the Year for Canada

CDW Canada recognized for outstanding performance in delivering, promoting and supporting Veeam's data resilience solutions.

Toronto, ON – July 23, 2026

Today, [CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations, announced that it has been named [Veeam](#)'s 2025 Value Added Reseller (VAR) Partner of the Year in Canada for the second consecutive year.

This award recognizes CDW Canada for its exceptional sales performance, technical expertise and commitment to helping strengthen their data resilience with Veeam solutions. It reflects the strength of the CDW Canada and Veeam partnership and their shared commitment to helping organizations protect and manage their critical data.

"We are proud to be named Veeam's VAR Canadian Partner of the Year," said Ginette Adragna, Senior Vice President and General Manager, CDW Canada. "At CDW Canada, excellence is our standard, and this award reflects the dedication of our teams, the strength of our partnerships and our shared commitment to delivering meaningful value for customers. Together, we are helping organizations strengthen their data resilience and navigate an increasingly complex technology landscape."

This recognition highlights CDW Canada's continued investment in delivering innovative data resilience solutions that address the evolving needs of Canadian organizations. By combining its technical expertise with the capabilities of Veeam, CDW Canada empowers customers to confidently safeguard their data and improve their operational resilience.
