

CDW Canada Achieves Cisco's Full Stack Observability and Hybrid Cloud Computing Specializations

CDW is the only partner in Canada to achieve the specialization for Hybrid Cloud Computing Solutions

Toronto, ON, Canada – September 1, 2023

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations, announced today that they have achieved Cisco's Full Stack Observability and Hybrid Cloud Computing Specializations. Cisco solution specializations are partner-led designations that recognize CDW's ability to provide sophisticated, value-added Cisco solutions through in-depth sales capabilities, technology skills and service offerings.

Cisco's Full Stack Observability Specialization demonstrates CDW's understanding of managing troubleshooting and maximizing performance for customers. The Hybrid Cloud Software Specialization recognizes CDW's ability to deploy, manage and optimize customers' resources across hybrid cloud environments.

"These specializations demonstrate the expert level at which the CDW team provides knowledgeable Cisco solutions to our customers," said Ginette Adragna, Vice President and General Manager, CDW Canada. "This recognition and continued partnership with Cisco illustrate how the CDW team understands our customer's business challenges and delivers optimal solutions for cost and performance."

CDW is one of nine partners in Canada to achieve the solution specialization for Full Stack Observability and the only partner in Canada to achieve the solution specialization for Hybrid Cloud Computing Solutions.
