

CDW Canada is the First Partner in Canada to Achieve All Cisco Solution Specializations

CDW Canada achieves Cisco Secure Access Services Edge and Extended Detection & Response Solution Specializations

Toronto, ON, Canada – December 1, 2023

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations announced today that they have achieved Cisco’s Secure Access Services Edge (SASE) and Extended Detection & Response (XDR) Solution Specializations.

Cisco’s SASE Solution Specialization recognizes CDW’s ability to help customers integrate networking, security and observability functions in the cloud. The XDR Solution Specialization demonstrates CDW’s expertise in rapidly analyzing, identifying and providing solutions to customers to prevent security breaches and data loss.

“Being the first partner in Canada to achieve all Cisco Solution Specializations is a momentous achievement that reflects our strong partnership with Cisco,” said Ginette Adragna, Vice President and General Manager, CDW Canada. “These specializations recognize our deep expertise and enable us to innovate our service offerings to customers, improving their security posture to the highest level, in a constantly changing landscape.”

CDW Canada is one of three partners to achieve SASE Solution Specialization and the only partner in Canada to achieve XDR Solution Specializations.
