

## Epson<sup>®</sup> Document Scanners

- **Premium performance** — fast, robust and dependable, with a wide range of options
- **Seamless integration** — TWAIN and ISIS<sup>®</sup> drivers for compatibility with virtually any software
- **Peace of mind** — 3-year limited warranty<sup>1</sup> with Advance Exchange and free Next-Business-Day Replacement<sup>2</sup>

Manufactured by an industry leader in projectors, printers and robots, Epson scanners offer premium performance and dependability — all at a great value.

Epson document scanners offer speeds up to 85 ppm<sup>3</sup> and peak daily duty cycles up to 9,000 sheets<sup>4</sup>. Included TWAIN and ISIS drivers ensure compatibility with virtually any document management software. Plus, the 3-year limited warranty<sup>1</sup> includes Next-Business-Day Replacement<sup>2</sup>, with free shipping, for minimal downtime and a low TCO (total cost of ownership).

From scanning patient lab results and prescriptions to ID cards and bound materials, Epson scanners are the perfect solution for your healthcare needs.

Epson offers a versatile line of document scanning solutions to meet every business need.

Mobile Scanners

Desktop Scanners

Workgroup Scanners

Flatbed Scanners

## World-class performance and reliability from a leader in image capturing technology.

### BROAD RANGE

A wide array of configuration options.

- With the optional Network Interface Unit (sold separately), Epson enables more scanners to work over the network than any other competitive lineup
- Broad portfolio of 16 scanners provides IT with maximized flexibility and workflow optimization

### EASY INTEGRATION

Seamlessly integrates with document management systems.

- Epson is certified with over 70 key ECM software providers for easy integration with document management solutions
- Compatible with existing software — TWAIN and ISIS drivers are included on all key commercial scanners

### SMART INVESTMENT

Strong value for both purchase and integration.

- Significant savings vs. competitive brands
- Broad portfolio facilitates only buying the functionality you need
