

# Managed HP Workforce Experience Platform (WXP)

Modern Workspace

## Empower Your People. Simplify IT. Drive Business Outcomes.

At CDW Canada, our mission is to empower organizations to thrive in a rapidly evolving digital landscape. As your trusted technology partner, we're committed to supporting you at every stage of your HP Workforce Experience Platform (WXP) journey. From initial consultation to seamless onboarding, device integration and ongoing technical support, our team of experts ensures your transition to HP WXP is smooth and impactful.

By choosing CDW Canada for your HP WXP deployment, you gain an ally dedicated to maximizing your technology investment. We work alongside your IT team to streamline device management, optimize employee experience and reduce operational risk. Our approach leverages deep industry knowledge and hands-on support, so you can focus on strategic priorities while we handle the complexities of implementation and day-to-day management.

## SERVICE FEATURES

CDW Canada is available to assist with the onboarding and implementation of HP WXP. For organizations with IT constraints, CDW provides dedicated resources to manage HP WXP instances.

- Unified Reporting: One dashboard for all devices and digital experiences, simplifying oversight and reducing complexity
- AI-Driven Insights: Predict and prevent issues before they impact your people, with actionable analytics on device health, usage and security
- Sustainability & Cost Control: Optimize device refresh cycles, reclaim unused software licences and track power consumption to lower TCO

## WHY CDW?

### End-to-End Modern Workspace Solutions

CDW Canada leads in delivering secure, scalable and high-performing hybrid work environments. With deep expertise in endpoint risk management, virtual desktops and bilingual service desk support, CDW enables organizations to modernize confidently.

Backed by award-winning partnerships, CDW offers robust managed and professional services – from productivity tools to cloud lifecycle management – driving measurable gains in security, efficiency and employee engagement.

### Strategic Partnership with HP

CDW has partnered with HP Inc. for over 16 years and is HP's top Global Power Elite Partner. Recognized as HP's Print Hardware and Supplies Partner of the Year (2022 & 2023), CDW also holds Amplify Impact 3-Star Partner status and the Climate Fresk Social Impact Award.

With 11 HP specializations and certified experts in Poly video and lifecycle services, CDW delivers tailored solutions supported by:

- HP demo programs
- Executive Briefing Centre access
- Digital Experience Room events

Together, CDW and HP help organizations align IT strategy with business goals, enhancing productivity, optimizing spend and securing hybrid workforces.
