

CDW Canada Recognized as Top Solution Provider of the Year by Channel Daily News

CDW Canada awarded for record growth and service delivery expansion in 2019

Toronto, ON – April 30, 2020

CDW Canada, a leading provider of technology solutions and services for Canadian organizations, is excited to announce it has been recognized as the Top Solution Provider of the Year in Channel Daily News (CDN) Top 100 Solution Provider's annual list. Today's announcement marks the sixth time CDW Canada has topped CDN Top 100's list.

"We are honoured to receive this award from Channel Daily News. This reflects the work of our dedicated coworkers across the organization and their ability to provide unique and innovative solutions that meet the evolving business needs of our national customers," said J.D. Hupp, Vice President & General Manager, CDW Canada. "Last year's acquisition of Scalar Decisions expanded our cloud and cybersecurity expertise and as we continue to exceed customer expectations by solving even the most complex technology challenges, we look forward to another year of success with our coworkers, customers, and partners."

The CDN Top 100 ranks Canadian solution providers based on calendar year revenue and growth.

About CDW Canada

CDW Canada is a leading provider of technology solutions for business, government, education and healthcare. CDW Canada helps customers achieve their goals by delivering integrated technology solutions and services that help customers navigate an increasingly complex IT market and maximize the return on their technology investment.

Areas of focus include software, networking, unified communications, data centre and mobility solutions. CDW Canada is on the Channel Daily News Top 100 Solutions Provider list in Canada, and is a wholly owned subsidiary of Vernon Hills, Illinois-based CDW Corporation, a Fortune 500 company.
