

## **CDW Canada recognized as the Top Canadian Solution Provider of the Year by Channel Daily News**

*Achievement strengthens CDW's position as a full-service industry leader, ensuring business continuity for customers in 2020*

**Toronto, ON – April 28, 2021**

[CDW Canada](#), a leading provider of technology solutions and services for Canadian organizations, is pleased to announce that it has been recognized as the Top Canadian Solution Provider of the Year on Channel Daily News' (CDN) Top 100 Solution Providers list.

This recognition highlights CDW's outstanding ability to provide exceptional value to customers through its innovative solutions and services that ultimately help ensure business continuity. In 2020, CDW supported its customers across Canada at a time when deep IT expertise was needed most.

"I am very proud that our coworkers' dedication to exceeding customer expectations has once again delivered this incredible industry recognition," said Ginette Adragna, Vice President and General Manager, CDW Canada. "Being recognized as Canada's Top Solution Provider is a phenomenal accomplishment in any given year but is especially humbling when we reflect on the challenges Canadian businesses faced in 2020. This achievement is a testament to our dedicated team who showed unwavering commitment to our customers, providing excellence along every step of the IT journey – no matter the challenge."

The CDN Top 100 ranks Canadian solution providers based on calendar year revenue and growth. For more information and to view the full list, please visit: [channeldailynews.com/cdn-top-100](http://channeldailynews.com/cdn-top-100)
