

## **CDW Canada Named NVIDIA Partner Network Canadian Partner of the Year**

**Toronto, ON – April 5, 2022**

[CDW Canada](#), a leading provider of technology services and solutions for Canadian organizations, today announced it has been recognized as the 2021 Canadian Partner of the Year by the [NVIDIA Partner Network \(NPN\)](#).

The NPN awards recognize partners who have shown growth in their business and demonstrate commitment to transforming and advancing the industries in which they operate through AI education, expansion and adoption.

CDW Canada was selected for driving sales and broad adoption of data centre and [NVIDIA DGX](#) systems in finance, healthcare and other key industries. As an Elite partner in the NPN, CDW has demonstrated the highest level of commitment to visual computing.

“This achievement demonstrates CDW’s dedication to advancing our best-in-class customer solutions,” said Ginette Adragna, Vice President and General Manager, CDW Canada. “Being part of the NPN program enables us to work together to keep a finger on the pulse of the industry and propel it forward through innovation.”

“AI and data science are advancing the work of key Canadian industries, including healthcare, energy, finance and computer science,” said Eric Dahan, Canadian Enterprise Sales Manager, NVIDIA. “As the NPN Canadian Partner of the Year, the CDW team has showcased its dedication to building AI infrastructure with NVIDIA technology to serve enterprises and research centers with solutions that boost efficiency, discovery and competitive advantages.”

[NPN, a global program](#), provides partners with the expertise required to develop, deploy and maintain world-class accelerated computing solutions designed for today’s most demanding machine learning and AI workloads.
