

FortiGate Rapid Deployment Services

Security

SERVICE OVERVIEW:

CDW's FortiGate Rapid Deployment service allows customers to quickly provision their chosen FortiGate solution and begin seeing returns on their security investment sooner.

WHY FORTINET WITH CDW?

CDW has the experience, experts and services to help organizations craft a combination of the right tools and the right plan that can mitigate security risks, increase visibility, unlock the power of their solutions and be better prepared for the evolving threat landscape.

Our experienced and highly skilled security team will help you align your business and security strategies with each other. Our 150+ security professionals and 430+ security certifications enable us to bring enterprise-wide security capabilities to our customers. We can architect, integrate and deploy the most advanced security technologies to build a robust security infrastructure. Finally, we can set up systems, processes and controls to ensure you can rapidly remediate security incidents.
