

# NGFW Rapid Deployment Services

## Security

### SERVICE OVERVIEW:

CDW's Palo Alto Networks (PAN) NGFW Rapid Deployment Services allow customers to quickly provision their chosen PAN solution and begin seeing returns on their security investment sooner.

### WHY PALO ALTO NETWORKS WITH CDW?

As a Diamond partner with Palo Alto Networks, the CDW security team have deep experience and knowledge of the Palo Alto Networks Next-Generation Firewall (NGFW) platform. CDW will follow a proven methodology based on experience and published best practices for deploying and migrating NGFW's.

Our experienced and highly skilled security team will help you align your business and security strategies with each other. Our 150+ security professionals and 430+ security certifications enable us to bring enterprise-wide security capabilities to our customers. We can architect, integrate and deploy the most advanced security technologies to build a robust security infrastructure. Finally, we can set up systems, processes and controls to ensure you can rapidly remediate security incidents.
