

8x8 X Series

Bring people together anytime, anywhere, on any device.

We work together in different ways. We connect and collaborate using voice calls, instant messages, video meetings and more. But when each requires a different tool, we're less productive and business suffers.

There is a better way. The 8x8 Open Communications Platform™ with X Series service plans empowers individuals, teams, and organizations to work better from anywhere, engage better with customers, and seize business opportunities without compromise.

Get the best of voice, video, chat, contact center, analytics, and APIs for everyday business apps, so that everyone can work together more naturally and effectively from anywhere.

X Series service plans:

X2	Standard users with international calling
X3	Power users with global calling
X4	Managers and supervisors with extended global calling
X6	Voice-centric Contact Center users with Advanced Reporting
X7	Multi-channel Contact Center users with Advanced Reporting
X8	Multi-channel Contact Center users with Advanced Analytics and Predictive Dialer

X Series services plans support every aspect of your work.
