BARCO

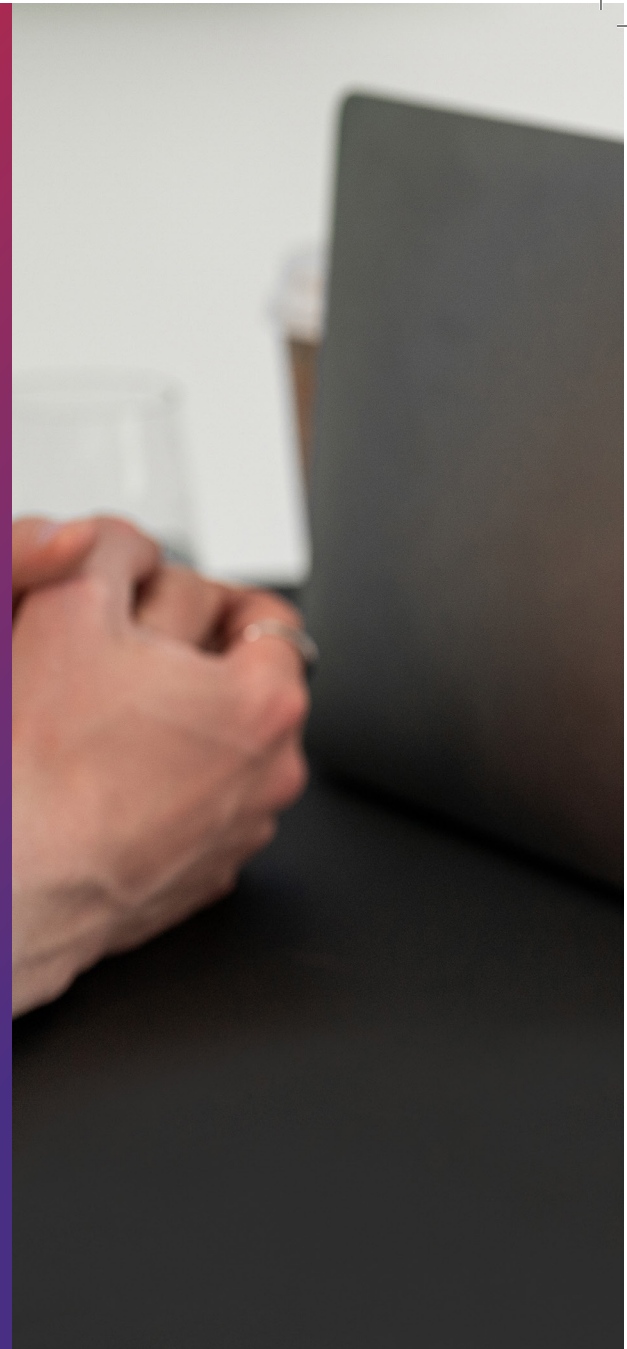

# Hello, ClickShare!

Meet ClickShare - your effortless way to connect and collaborate

ClickShare is Barco's award-winning wireless meeting room system for easy video conferencing, collaboration, and content sharing.

Loved by users and trusted by companies worldwide, ClickShare transforms any meeting room into a space for hybrid collaboration. It wirelessly connects your laptop to the room's audio and video, so you can start your meeting with just one click on the ClickShare Button, App, or Control Panel. No cables. No hassle.

ClickShare delivers simplicity for users, control for IT, and measurable impact for business. Experience intuitive meetings, secure management, and seamless integration – all in one click.

## Why ClickShare?

Because nothing else compares.

### Simple by design

ClickShare makes meetings intuitive. Connect wirelessly to room displays and AV equipment in seconds - no cables, no passwords, no complicated setup. Just walk in and start collaborating with your own device.

### Support that sets us apart

We don't charge extra for peace of mind. Every ClickShare device comes with our free extended warranty, direct access to Barco experts, and zero replacement costs. Just activate within 6 months.

### **Security-first design**

ClickShare is secure by design. With multiple configurable encryption levels, processes aligned with ISO 27001 standards, and regular firmware updates, your data stays protected. Always.

### **Sustainable and proud of it**

ClickShare devices are designed with energy efficiency in mind. They are made with recyclable materials, ship in biodegradable packaging, and carry the Barco ECO label A++.

**3.**

Receive your demo unit, shipped to you free of charge.

**4.**

Use ClickShare for 4 weeks and see the difference.

**Get started!**

A hand is shown holding a black ClickShare device, which is a small, rectangular, black plastic device with a circular button on top. The device is being held over a laptop screen, which is out of focus. The background is a blurred office setting with people and lights.

Whether you're hosting hybrid  
brainstorms or quick check-ins,  
ClickShare makes every meeting  
more intuitive, inclusive, and  
engaging.

Try it today and love meeting.

The ClickShare logo features the word "Love" in a large, bold, black sans-serif font, with a red heart symbol replacing the letter "o". Below "Love" is the word "meeting" in a smaller, bold, black sans-serif font. The logo is set against a white background that is partially enclosed by a large, curved graphic element transitioning from purple to red.

**Love**  
meeting

## About ClickShare

ClickShare is Barco's award-winning wireless meeting room solution for easy video conferencing, collaboration and presentation. Starting a meeting is simple, with just one click on the ClickShare Button, App, or Control Panel. No cables, no hassle. It's the perfect fit for companies with high security, sustainability standards, and network integration.
