The Avalo® Difference

Avalo Medical Carts blend careful design, functionality, and logical organization to enhance user efficiency and support the delivery of superior patient care.

1. Durable, high-impact panels, built for long-term reliable performance. Stain, scratch and dent resistant.
2. Medications and supplies are secured with a selection of innovative locking systems including key, keyless or quick-access breakaway locking.
3. Flexible divider systems and removable drawer trays provide optimal visibility, grouping and organization of medications and supplies.
4. Seamless drawers, smooth panels and work surface promote simple cleaning for infection prevention.
5. Accessory options position equipment and supplies close at hand for easy access and improved efficiency, and keep the workspace clear.
6. Three drawer depths provide ample capacity to store and organize medications and supplies.
7. A lightweight ergonomic design and spread caster position provides stability control and ease of maneuverability.

Meeting the Needs for a Variety of Care Applications

Avalo Medical Carts can be deployed in hospitals, surgery centers, physicians’ offices, assisted living facilities, and more. To support different care needs, Avalo carts are available in new easy-to-order convenient packages or can be custom configured to meet specific facility applications.
