The Avalo® Difference

Avalo Medical Carts blend careful design, functionality, and logical organization to enhance user efficiency and support the delivery of superior patient care.

1. Durable, high-impact panels, built for long-term reliable performance. Stain, scratch and dent resistant.
2. Medications and supplies are secured with a selection of innovative locking systems including key, keyless or quick-access breakaway locking.
3. Flexible divider systems and removable drawer trays provide optimal visibility, grouping and organization of medications and supplies.
4. Seamless drawers, smooth panels and work surface promote simple cleaning for infection prevention.
5. Accessory options position equipment and supplies close at hand for easy access and improved efficiency, and keep the workspace clear.
6. Three drawer depths provide ample capacity to store and organize medications and supplies.
7. A lightweight ergonomic design and spread caster position provides stability control and ease of maneuverability.

Meeting the Needs for a Variety of Care Applications

Avalo Medical Carts can be deployed in hospitals, surgery centers, physicians' offices, assisted living facilities, and more. To support different care needs, Avalo carts are available in new easy-to-order convenient packages or can be custom configured to meet specific facility applications.

Convenient Packages

New Avalo cart packages are designed to support a range of simple to more complex workflow and storage requirements. In two easy steps choose a base cart, then an accessory package that best fits facility needs. Cart packages are available for Emergency, Pediatric Crash, Anesthesia, Procedure/Treatment, and Isolation carts.

Fully Configurable Solutions

If specific drawer configurations or accessories are required to meet unique care applications, Avalo carts can be fully configured to support facility workflow and storage requirements.

Avalo® Series Medical Carts

Emergency Cart

The Avalo Series Emergency Cart blends careful design with functionality and logical organization to provide reliable performance and improved workflow in emergency departments. A unique breakaway locking handle offers optimal security and the swift, simple access essential to every emergency response. Stable maneuverability is built-in and a full line of accessories enhance user efficiency.

Avalo Emergency carts are available in convenient packages (show below) or custom configurations.

I.V. Therapy Carts

The **Avalo Series I.V. Therapy Cart** facilitates the organization of supplies for use in I.V. preparation. Keep everything in its place with optional drawer divider systems and storage bins. A large work surface offers ample room to prepare I.V. solutions. Expand your work area with a slide-out work surface, positionable on the right or left side of the cart.

Integral Drawer Dividers offer the flexibility to arrange drawer contents for optimal user efficiency

Critical Care Carts

The **Avalo Series Critical Care Cart** is built to promote efficient workflow and task management in critical care environments. The durable frame and spread caster position ensure stability, while making the cart easy to move and control. A full complement of accessory options facilitates efficient workflow, and a choice of lock systems ensures the security of critical care supplies.

10 Year Limited Warranty on every Avalo Series Medical Cart

Medical/Surgical Carts

The **Avalo Series Med/Surg Cart** meets the demanding requirements of an ever-changing hospital environment. Every Med/Surg Cart accommodates the latest technology solutions and monitoring equipment to ensure efficient and streamlined workflow. Select from an array of drawer divider and tray solutions that offer flexibility for organizing supplies.

Precision welded all-steel frame is virtually indestructible

Avalo® Series Medical Carts

AC Anesthesia Self-Locking

The **Avalo Series AC Anesthesia Cart** offers the latest design and technology to meet the unique requirements of anesthesia storage, organization and security.

Flexible drawer configurations combined with optional drawer dividers and trays promote orderly storage.

An innovative keyless access and automatic relocking system provides secure and safe storage of anesthesia medications. Add another layer of security with an optional ID Badge card reader, or optical bar code scanner and cart user audit.
