**The Avalo® Difference**

*Avalo Medical Carts* blend careful design, functionality, and logical organization to enhance user efficiency and support the delivery of superior patient care.

1. Durable, high-impact panels, built for long-term reliable performance. Stain, scratch and dent resistant.

2. Medications and supplies are secured with a selection of innovative locking systems including key, keyless or quick-access breakaway locking.

3. Flexible divider systems and removable drawer trays provide optimal visibility, grouping and organization of medications and supplies.

4. Seamless drawers, smooth panels and work surface promote simple cleaning for infection prevention.

5. Accessory options position equipment and supplies close at hand for easy access and improved efficiency, and keep the workspace clear.

6. Three drawer depths provide ample capacity to store and organize medications and supplies.

7. A lightweight ergonomic design and spread caster position provides stability control and ease of maneuverability.

---

**Meeting the Needs for a Variety of Care Applications**

*Avalo Medical Carts* can be deployed in hospitals, surgery centers, physicians’ offices, assisted living facilities, and more. To support different care needs, Avalo carts are available in new easy-to-order convenient packages or can be custom configured to meet specific facility applications.

**Convenient Packages**

New Avalo cart packages are designed to support a range of simple to more complex workflow and storage requirements. In two easy steps choose a base cart, then an accessory package that best fits facility needs. Cart packages are available for Emergency, Pediatric Crash, Anesthesia, Procedure/Treatment, and Isolation carts.

**Fully Configurable Solutions**

If specific drawer configurations or accessories are required to meet unique care applications, Avalo carts can be fully configured to support facility workflow and storage requirements.
Avalo® Series Medical Carts

Emergency Cart

The Avalo Series Emergency Cart blends careful design with functionality and logical organization to provide reliable performance and improved workflow in emergency departments. A unique breakaway locking handle offers optimal security and the swift, simple access essential to every emergency response. Stable maneuverability is built-in and a full line of accessories enhance user efficiency.

Avalo Emergency carts are available in convenient packages (show below) or custom configurations.

Quick-Access Lock unlocks with a simple and swift motion to quickly break the tamper-evident seal and gain access to all drawers.

Convenient Packages

Avalo Emergency Carts are offered in packages for your ordering convenience. In two easy steps choose a cart and an accessory package that best fits your workflow needs.

Step 1 Choose a Base Cart Option:

Avalo® Series Medical Carts

I.V. Therapy Carts

The Avalo Series I.V. Therapy Cart facilitates the organization of supplies for use in I.V. preparation. Keep everything in its place with optional drawer divider systems and storage bins. A large work surface offers ample room to prepare I.V. solutions. Expand your work area with a slide-out work surface, positionable on the right or left side of the cart.

Integral Drawer Dividers offer the flexibility to arrange drawer contents for optimal user efficiency.

Critical Care Carts

The Avalo Series Critical Care Cart is built to promote efficient workflow and task management in critical care environments. The durable frame and spread caster position ensure stability, while making the cart easy to move and control. A full complement of accessory options facilitates efficient workflow, and a choice of lock systems ensures the security of critical care supplies.

Medical/Surgical Carts

The Avalo Series Med/Surg Cart meets the demanding requirements of an ever-changing hospital environment. Every Med/Surg Cart accommodates the latest technology solutions and monitoring equipment to ensure efficient and streamlined workflow. Select from an array of drawer divider and tray solutions that offer flexibility for organizing supplies.

Precision welded all-steel frame is virtually indestructible.
The Avalo Series AC Anesthesia Cart offers the latest design and technology to meet the unique requirements of anesthesia storage, organization and security. Flexible drawer configurations combined with optional drawer dividers and trays promote orderly storage.

An innovative keyless access and automatic relocking system provides secure and safe storage of anesthesia medications. Add another layer of security with an optional ID Badge card reader, or optical bar code scanner and cart user audit.

Avalo® Series Security Features

Lock System Options

AutoLock™ Security Upgrades

**Standard Host Software**
Using Standard Host Software authorized users can add, change or delete an access code for specific users.

**Proximity Access**
An advanced proximity card reader can be selected as an additional security access requirement.

**Keyless Narcotics Storage**
The optional keyless narcotics storage feature greatly augments security to further optimize control and accountability. Available for Avalo AC Cart only.

Lock System Choices

**AutoLock™**
Automatically secures a motionless unlocked medical cart with a user-defined relock time delay from 1-99 minutes. AutoLock permits up to 5,000 individual user codes to further enhance cart access tracking and security. SLA battery operated. AutoLock security upgrades available.

**Keyless Access with Manual Relocking**
Simply enter a 4-digit access code, push down the lock lever and the cart is ready for access. To secure the medical cart, simply push in the lock lever. Clear visual indication of lock status is apparent from a distance.

**Key Access with Manual Relocking**
Featuring the Best® Core Removable Lock System, this basic yet proven lock system provides your medical cart advanced security and the flexibility to change keys simply and easily.

**Breakaway Lock**
Avalo Emergency Cart’s unique breakaway locking handle is standard on every model, offers the security you require and ensures quick access to code cart supplies.

**AutoLock**
An advanced proximity card reader can be selected as an additional security access requirement.
