

## Automate and connect the entire agreement process with DocuSign.

DocuSign helps organizations connect and automate how they prepare, sign, act on, and manage agreements. As part of the DocuSign Agreement Cloud, DocuSign offers eSignature: the world's #1 way to sign electronically on practically any device, from almost anywhere, at any time. Today, more than 500,000 customers and hundreds of millions of users in over 180 countries use DocuSign to accelerate the process of doing business and to simplify people's lives.

### More than electronic signature.

We pioneered eSignature and now we've created the world's first agreement cloud. The DocuSign Agreement Cloud™ is a comprehensive set of more than a dozen applications and 350 integrations for connecting and automating the entire agreement process. With DocuSign, organizations can do business faster with less risk, lower costs, and better experiences for customers, partners, and employees.

Integrations: Salesforce, Microsoft, SAP, Google, Oracle, Box, and Workday

Ranking for e-signature apps on Salesforce AppExchange

---

**“When I first started using DocuSign, I thought of it as an eSignature platform. But, when we started implementing, I realized it was so much more than that.”**

**Meredith Schmidt**  
EVP & GM of Salesforce Essentials and SMB  
Salesforce

---

**“DocuSign makes a big difference to everyone involved in the contracting process, especially the client. I would not want to run any kind of client service business without DocuSign.”**

**Gregg Slow**  
EVP Sales & Service  
XOJET

---

**“We’ve now completed thousands of deals using the DocuSign Agreement Cloud, and on average we are able to close these deals in less than half a day compared to five when we don’t use DocuSign. The DocuSign Agreement Cloud makes it easier for our customers to do business with us—and makes it easier for our staff to do business with our customers. So, it’s a win for everybody.”**

**Alan Bronowicz**  
Head of Business Process Management  
Refinitiv (formerly Thomson Reuters Financial & Risk)

---

**DocuSign technology meets and exceeds some of the most stringent global security standards:**
