

ergotron[®]

Durable

Harness the limitless potential of interactive, digital learning. Ergotron's professional-grade ChargeFit charging systems fit your changing technology, education spaces and ever-changing school days.

Flexible

Efficient

No two days are the same, so the flexible designs evolve with your lesson plans.

Innovative

As movement innovators, we've designed our ChargeFit systems to work with a variety of accessories and environments for you to decide where and how you want to ChargeFit.

CHARGEFIT[™]

Our professional-grade ChargeFit designs combine durable construction with extensive testing to help keep students, staff and devices safe.

Patented PowerShuttle™ technology:

Supports safe and fast charging for tablets and laptops

Continuous monitoring keeps circuit limits in check

In-rush protection helps avoid power spikes

Measured processing manages the current to devices

In a test, our charging cart with PowerShuttle Technology charged up to 40% faster than our competitor's round robin charging cart
