Google for Education

CDWG • PEOPLE WHO GET IT®

2021 NA Google for Education services offer

As a US or Canada-based K-12 district, school, or Higher Education organization interested in buying G Suite Enterprise for Education or Chromebooks and Chrome Education Upgrade in 2021, you may be eligible to receive **free services** along with your purchase.

Services are delivered by trusted Google for Education partners, and are designed to help your school get the most out of Google for Education tools. We have also included a number of diverse-owned partners. For a detailed view of the services & partners see this website.

A few steps to get started

1 **Complete your purchase**
Proof of purchase is required (via invoice or purchase order)

2 **Choose from 3 service categories** - goo.gle/eduoffer-2021
Review the service categories: Deployment, Educator Training, Analytics. *As a bonus, you'll also qualify for* App Licenses.

3 **Confirm your purchase**
G Suite Enterprise for Education purchases use **this form**.
Chromebook & Chrome Education Upgrade purchases use **this form**.

4 **Hit the ground running**
Work with your partner of choice to determine and implement the services that best fit your organization's needs

Service offerings

Select one of three options. Visit our **website** to see a detailed list of offerings based on the number of devices purchased.

Deployment services

Deployment partners assist schools in the rollout and configuration of new technology, in addition to providing the tools and insights to ensure organizations are getting the most out of their new tools and devices.

Amplified IT · KINCAID IT · logicwing · TN TEMPUS NOVA

Educator training services

Professional Development Partners train educators on the impactful use of Google technology in the classroom and lead schools through transformative change by providing guidance in the areas of vision, learning approach, culture, community, and diversity and equity.
