

## INTELLIGENCE-DRIVEN SECURITY SOLUTIONS FOR EDUCATION FACILITIES, SCHOOLS AND CAMPUSES

At i-PRO Americas Inc., our mission is to be your trusted advisor for the physical security needs of your district. We understand that securing education facilities requires more than best-in-class technology; it requires a true partnership. From preparing a detailed assessment and analysis to identifying and specifying the perfect combination of intelligence-driven security solutions, our experienced security professionals work with K-12 school administrators to meet the specific needs of your educational facilities, schools and campuses.

### STAY SAFER

- Improve surveillance operations with high-resolution, low-light performance and AI-enabled discreet cameras
- Increase situational awareness with the i-PRO Active Guard plug-in for real-time search functionality and alerts
- Stay cyber secure with our FIPS 140-2 Level 3 encryption and NDAA- and TAA-compliant cameras

### INVEST BETTER

- Lower total cost of ownership (TCO) and no licensing fees with i-PRO Video Insight Video Management System (VMS)
- Procure funding for school security with the i-PRO Grants Program
- Enhance your existing surveillance systems with i-PRO's Competitive Upgrade Program (CUP)

### MANAGE EASIER

- Enable staff with a user-friendly VMS
- Access U.S.-based tech support
- Obtain training and support from experienced professionals

## REASONS TO GO WITH i-PRO EASE OF USE AND LOW TOTAL COST OF OWNERSHIP

- Best TCO with no annual maintenance fees
- Add powerful search functionality to your security operation with i-PRO's S-series AI-enabled cameras and the new i-PRO Active Guard plug-in
- Industry-leading, discreet, AI analytics, high-resolution, low-light performance, cyber secure cameras
- Fully-integrated open platform works with over 150 camera manufacturers and major third-party access control systems
- Scalable enterprise solutions with intelligent analytics and seamless third-party plug-ins and integrations
- Unlimited client seats through any platform including Windows, MacOS, Apple TV, Web browser, and Android and iOS Mobile Apps

## ESTABLISHING AN i-PRO SECURE CAMPUS

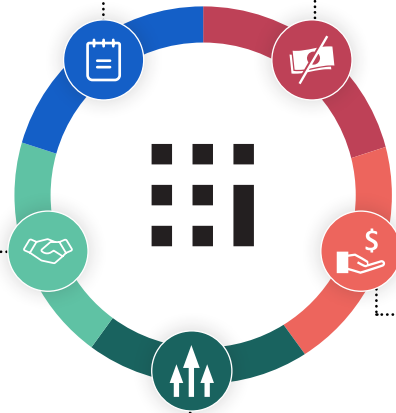

We take a unique approach to fulfilling the different needs of the education market by formulating a comprehensive initiative designed to provide the best in technology, incentives, tools and ongoing support that you want and need.

### COMPLETE SOLUTION

The i-PRO Secure Campus program is designed to partner with you through every step, from the system selection process through the installation and implementation processes. And when it is time for an upgrade, we'll help you leverage your current infrastructure to get the most value out of your existing investment.

### ONE PARTNER

Our Secure Campus experts will guide you through every step of the process. Working with our network of i-PRO-certified integrators, we can provide a security needs assessment based on your specific facility or campus environment.

### COST OPTIMIZATION

i-PRO offers schools the opportunity to deploy video surveillance with no licensing fees:

- i-PRO cameras come bundled with a Video Insight VMS camera license
- i-PRO access door controllers are bundled with a MonitorCast license
- Video Insight integrates with MonitorCast access control platform
- i-PRO's new S- and U-series cameras come with a 7-year warranty

### GRANTS FUNDING

The Grants Program is a free of charge service that is part of i-PRO's comprehensive offering providing K-12 institutions with the best technology, incentives, tools and support to create safe, secure learning environments.

### i-PRO COMPETITIVE UPGRADE PROGRAM

CUP helps schools and districts improve surveillance system capabilities. It enables you to switch your current VMS or access control system to Video Insight or MonitorCast for a savings of over 50%. A full enterprise solution that provides you with a vast array of features at no additional cost. <sup>1</sup>
