

## Gartner names Juniper Networks a Leader in the 2022 Gartner® Magic Quadrant™ for Indoor

### Location Services

Juniper Networks is proud to be recognized in the 2022 Gartner® Magic Quadrant™ for Indoor Location Services. Gartner has positioned Juniper as a **Leader and furthest in Completeness of Vision**. We believe that our focus on customer experience has led to Juniper's placement in this year's Magic Quadrant. We offer:

- Highly accurate location service using patented virtual BLE technology
- Simplified deployment and operations enabled by Mist AI and 100% API-based platform
- Comprehensive analytics platform
- Rich portfolio of partner solution integrations
- Very positive customer feedback on experience with Juniper
