# Choose the right Pro for You

## Surface Pro 9

### Key differentiators

- 12<sup>th</sup> Gen Intel Processor built on the Evo Platform
- Secured-Core PC with Hardware TPM
- 2x USB-C/Thunderbolt 4

### Who's it for?

Mobile information workers who need **versatile, laptop-level performance**

## Surface Pro 9 5G

### Key differentiators

- SQ3 Chip with Neural Processing Unit
- Secured-Core PC with Microsoft Pluton
- 5G<sup>1</sup> connectivity

### Who's it for?

Frontline power users who need **performance and anywhere connectivity**

## Surface Pro 8 LTE

### Key differentiators

- Updated design with Surface Signature Keyboard
- Intel based LTE option

### Who's it for?

Mobile information workers with specific IT needs requiring **Intel processors**

## Surface Pro 7+

### Key differentiators

- Compatible with Pro Signature Type Cover
- USB-A Port

### Who's it for?

Mobile information workers with specific **IT needs requiring Windows 10 Pro and USB-A**
