

**TOUGHBOOK®**

# PANASONIC MOBILE SOLUTIONS ARE THE SMART ANSWER TO REAL BUSINESS PROBLEMS.

Select and configure your TOUGHBOOK® device so workers have the capabilities they need.

Panasonic can help you plan, configure, test and deploy a mobile solution with the right features, software and services.

## Make TOUGHBOOK Your Own

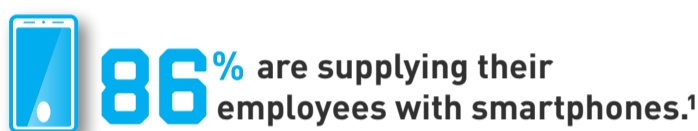

TOUGHBOOK rugged computers are exceptionally customizable and durable.

- Look for the MIL-SPEC and Ingress Protection (IP) certifications that have defined rugged mobile computing for over 20 years.
- Choose from a range of form factors: laptops, 2-in-1s, tablets and handheld devices running Android® or Windows® operating systems.
- Build your device into an on-the-job partner with our [online configurator](#).

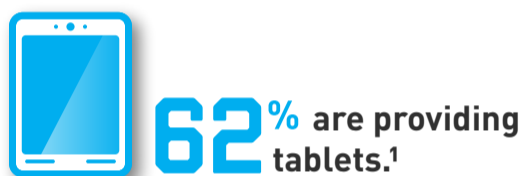

## Businesses Are Going Mobile

of businesses are buying and supporting notebooks for their employees.<sup>1</sup>

are supplying their employees with smartphones.<sup>1</sup>

are providing tablets.<sup>1</sup>

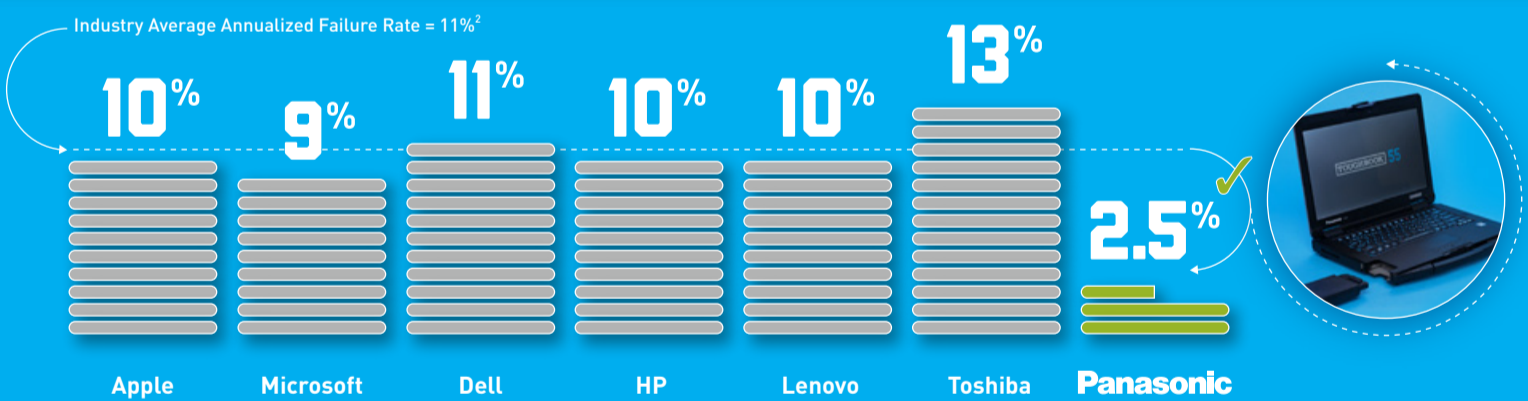

## Manage It Like a Boss

We offer a menu of software applications and tools, including mobile device management, application management software and integrated device security options such as fingerprint, insertable and contactless smartcard Common Access Card (CAC) readers.

## We've Got Your Back

Panasonic ProServices can help by augmenting your IT staff's resources. Plus, with our warranty services, you'll benefit from faster repairs and less downtime.

## PANASONIC MOBILE DEVICES ARE 5X MORE RELIABLE.<sup>3</sup>

### BUSINESSES ARE MOVING TO ANDROID

54% run Android systems.

4% run Windows 10 IoT Mobile Enterprise, the most recent mobile-centric Windows OS.<sup>4</sup>

Our professional services enable you to design the support package that's right for your organization, including:

- Software integration and deployment
- Installation of vehicle mounts
- Smart battery warranty programs
- Assistance with migration to Android devices

## YOUR DEVICES CUSTOMIZED, READY TO GO, RIGHT OUT OF THE BOX
