

# Veeam Data Cloud

### **Resilient Data Protection Made Simple**

Veeam Data Cloud provides resilient data protection and data recovery for multi-cloud data — all delivered through cloud-native backup and storage services.

That's the confidence and reliability of industry-leading backup, matched with the ease and accessibility of SaaS.

## Veeam Data Cloud

**Resilient Data Protection Made Simple** 

Microsoft 365

Microsoft Azure

Cloud-native backup and storage services

#### Key capabilities

#### **Confidence without complexity**

Cloud-native design provides the best protection, instantly ready out-of-the-box with policy driven simplicity.

#### Secured and maintained

Zero-trust architecture that's continuously versioned and maintained for you keeping your backups safe.

#### All-inclusive and predictable

All-in-one service that includes backup software, infrastructure and storage, keeping costs low and predictable.

#### Veeam Data Cloud for Microsoft 365

Microsoft 365 Licence Activity	Outlook Activity	Storage Use (GB)
300 Active 10 Inoctive	213k Een 333k New	ceived 3210.0
	File Counts a 321k 123 Bhangolist Files OreOffer File	You have 10 Granned upon with No horizon frond
