Trust CDW for your VMware by Broadcom Renewal

As the world's largest VMware reseller, CDW delivers expertise across the VMware by Broadcom portfolio, including compute, storage and network virtualization. Our experienced engineers design platforms, migrations and multi-cloud solutions for organizations of all sizes.

Fully certified to deliver the VMware portfolio, CDW's pre-sales and delivery teams help you transition to vSphere Foundation or VMware Cloud Foundation, designing and managing tailored solutions to meet your needs.

Let CDW focus on your IT — so you can focus on growing your business.

Why Work With CDW + Broadcom

- **Trusted Expertise:** Authorized Broadcom partner with certified VMware specialists.
- **End-to-End Support:** From assessment to deployment, CDW designs, implements and optimizes VMware by Broadcom solutions.
- **Simplified Renewals:** Streamlined license renewals and consolidated billing.
- **Access to Funding Programs:** Eligibility for adoption or enablement services through Broadcom programs.
- **Dedicated Account Team:** Specialists for pre- and post-sales support.
- **Comprehensive Portfolio:** Cloud, infrastructure, security and licensing expertise under one roof.

Our Expertise

- **185+ years** of combined experience delivering enterprise-class solutions and innovation
- **12 VMware Technical Experts** guiding customers through complex modernization initiatives
- **60+ CDW-badged VMware Delivery Engineers** ensuring excellence in design, deployment and delivery

CDW Partner Status: Pinnacle

As a Broadcom Pinnacle Partner, CDW holds the highest level of recognition for trust, investment and technical alignment. This elite status reflects our deep partnership with Broadcom and VMware — empowering us to deliver unmatched customer value and strategic outcomes.

6 Broadcom Knights at CDW

Knights are Broadcom's most elite Partner Technical Professionals, recognized for consistent technical leadership and excellence in solving complex transformation projects.

Award-Winning Partnership

Proud recipient of multiple Broadcom Partner of the Year awards.

In 2024, CDW was named Global VMware Partner of the Year, recognizing our excellence in innovation, go-to-market execution and technical enablement — all while delivering superior customer outcomes.
