

wacom®

Wacom Pen Displays and Tablets

Live. Dare. Create.

Welcome to Wacom, a pioneer in the digital realm, renowned for delivering an unparalleled pen experience that blends technology and creativity seamlessly. Our suite of products are an integral part of many lives, penetrating various spheres of human endeavor—from creative studios working on blockbuster movies, to industrial designers envisioning the next big innovation. Our influence doesn't stop there, but extends to the world of artists, and hobbyists of all levels, offering a platform where beginners can evolve into professionals.

But that's not all. Wacom has made significant strides in the educational sector, becoming an indispensable tool in classrooms across the globe where the act of handwriting forms a crucial part of the learning process. Healthcare institutions have also benefited from our services with the advent of electronic charts, transforming how patient data is recorded, tracked, and reported.

In addition to this, Wacom's cutting-edge digital pen solutions are behind many of the pen-enabled PCs, tablets, and smartphones that you use every day—be it for personal or professional purposes. By choosing Wacom, you're not just choosing a product, you're choosing a lifestyle of innovation and creativity. Join us in this journey, and let's redefine the way we create and communicate together.

Live. Dare. Create.

Creative Pen Display Comparison Chart

wacom®
One
(2025)

The entry-level pen display for beginners in digital creativity & photo editing.

wacom®
Cintiq
(2025)

With a slimmer bezel, included stand or built-in feet, it takes up less space while offering more ergonomic flexibility. Available in 16" and 24" sizes.

wacom®
Cintiq Pro
(2023)

Premium pen display for pros who want the most accurate pen-on-screen experience and highest color fidelity.

wacom®
Movink
(2024)

Innovative 13" OLED display, our lightest, slimmest, most portable professional-level creative pen display ever.

wacom®
MovinkPad
(2025)

Portable all-in-one 11" drawing tablet with anti-glare etched glass screen, Android 14, 8GB memory and 128 GB storage.

wacom®
MovinkPad Pro
(2025)

Pro level portable all-in-one 14" drawing tablet with OLED, anti-glare textured glass screen, Android 15, 12GB memory and 256 GB storage.
