

Zebra's Intelligent Automation Portfolio

RFID

RFID Solutions

The industry's most comprehensive portfolio of fixed and mobile RFID readers, handhelds, printers, and supplies.

More than 20 years of RFID innovation across hardware and software.

Future-ready RFID reader platforms, unique RFID labels and field-upgradable, adaptable RFID printers & encoders.

Solutions that scale, from presence to control points to automated sensing for perpetual visibility.

The NFL's Official Real-Time Location Solutions Provider for next-gen stats.

2024 Gartner® Magic Quadrant™ for Indoor Location Services (5th consecutive year)
