Thermal Printers

Print Confident. Print Secure. Print Zebra.
Print Confident. Print Secure. Print Zebra.

You don’t have time for printer failure. Printers should perform flawlessly, almost invisibly. But when they’re down, so are your operations. Remove the hassle with Zebra.

From simplified setup to quality construction to performance-enhancing Print DNA software toolset, our printers are designed to be self-reliant, durable and endlessly eager to work. Going beyond just hardware, they deliver autonomy, intelligence and—unlike other brands—security, giving you peace of mind and a genuine sense of protection.

Print with confidence knowing you have a partner with 50 years of thermal printing innovation by your side.

Don’t Compromise. Get It All With Zebra.
Relentless Performance in Any Environment

Printing must happen, no exceptions. If warehouses can’t print shipping labels, customers can’t get products. If drivers can’t print receipts, invoices can’t be processed. And if you can’t print ID access cards, then security could be a concern. Get it done with Zebra thermal printers. They’re designed with one purpose—to help you perform your best. In any environment. Any application. Any condition.

**Transportation and Logistics**
Deliver non-stop service from the first mile to the last
- Cross-docking and stocking
- Picking and packing
- Shipping and receiving
- Inventory management
- Proof of delivery
- Rental car return

**Manufacturing**
Ratchet up productivity from the plant floor to the front door
- Work in process
- Compliance labeling
- Parts management
- Equipment maintenance
- Traceability
- Quality assurance

**Healthcare**
Strengthen patient safety from admissions to discharge
- Positive patient identification
- Laboratory/pharmacy management
- Asset management
- Accurate specimen labeling
- ID and access control

**Retail and Hospitality**
Give customers an experience that keeps them coming back
- Product pricing
- Cycle counts
- Mobile point of sale
- Proof of purchase
- Gift and loyalty cards
- Event and season passes
- ID badges
- Membership cards

**Government**
Improve services and safety with fast, accurate printing that’s secure
- E-citation
- Health and human services
- Emergency management
- Military supply chain
- Identity management
- Code inspections
- Exchange services

**Warehouse**
Connect each operational area in your warehouse to give you the agility to realize transformational gains
- Cross-docking and stocking
- Picking and packing
- Shipping and receiving
- Inventory management
Printers Are a Start
But a complete enterprise solution should go end-to-end

When you’re looking for enterprise solutions, look beyond printers. Consider intelligent mobile computers, multi-tasking tablets and accurate scanners that integrate easily, pair instantly and talk freely to one another. If you top the hardware with Zebra’s support, visibility, and professional and learning services, you can reduce device vulnerabilities and maximize uptime and productivity—making it easier for you to integrate new technologies into your customers’ existing IT environments and workflows. Think how much better that would make management, usage and sharing of critical information.

Reliability and peak performance are also a must. You’ll have that with Zebra’s edge-to-edge portfolio. Each device is strong alone. Yet together, they’ll make your workers unstoppable.
Did That Come Out Right?
Zebra certified supplies for hassle-free printing

Zebra Certified Supplies provides the most consistently outstanding quality, performance and service so you never have to worry about thermal printing supply issues interrupting your operations.

Zebra Supplies Offering

Barcode Labels and Tags
From synthetic materials to basic paper solutions, challenging environments to compliance, hard-to-label surfaces to easy-to-remove labels, or tamper-evident to tear-proof, we have more than 90 certified material options to meet your unique needs. With over 400 items in stock and extensive custom capabilities, we can provide a solution for virtually any application.

Thermal Ribbons
Choose from wax, wax/resin and resin formulations to meet the durability demands of your application when ideally matched to our thermal transfer materials.

Hospital Bracelet and Patient ID Wristbands
Zebra offers thermal, laser, RFID and alert wristbands that remain scannable throughout the average patient stay. We can meet the unique needs of your patient population and workflows—from general patient population to labor and delivery, to neo-natal, to outpatient service.

Event Wristbands
Our broad portfolio of print-on-demand thermal barcode and RFID wristbands enables the implementation of cashless POS, entry management, the reduction in ticket fraud, simplified transactions and the tracking of guests’ last best-known location.

Receipt Paper
Our portfolio of receipt paper options meet your brand image and application durability, image quality and archival requirements, as well as your budget.

RFID Labels and Tags
Choose from our large selection of in-stock RFID labels, tags and wristbands, or we can create a custom solution including inlays and chips from leading brands integrated into one of our over 100 pre-tested thermal materials in any size and configuration.

Print Confident.
Print Quality. Print Zebra.

- Rigorously tested
  Our 23-point inspection keeps work and printers from coming to a standstill.

- Consistent quality
  The use of consistent materials ensures reliable performance from order to order, preventing downtime and the need to adjust printer settings.

- Zebra printer compatibility
  Compatible inks, varnishes and tools ensure printers and workflows don’t break down.

- Stringent standards
  Our supplies are designed to meet industry standards, so you can meet compliance goals.

- Non-abrasive
  Sandpaper-like label surfaces cause printhead elements to fail prematurely, resulting in unreadable labels.

- Made tough
  You work in hot, cold, damp and dusty environments. So do our supplies.

- RFID Printing and Encoding Service
  Get as little as 1,000 serialized pre-printed and encoded RFID labels to your specifications to support pilots and compliance needs without having to invest in an RFID printing solution.

- Environmentally sustainable solutions
  We are dedicated to providing a range of pre-tested, high-quality environmentally friendly supplies to help you meet your sustainability goals.
**Industrial Printers**

Industrial strength for industrious workers

Zebra industrial printers are designed for harsh and demanding environments. With rugged durability and future-proof adaptability, our user-friendly barcode label and RFID printers are designed to provide 24/7 reliability. Don't compromise. Choose Zebra for your high- to mid-volume applications.

**ZT231**
Smart features. Small investment. Big payoff.

A feature-packed printer at a value class price.

**Features**
- 4.3-inch full-color touch display for ease of use and status at a glance
- UHF RFID printing and encoding for greater visibility and tracking
- Compact footprint

**Portfolio Differentiators**
- Moderate-duty cycle
- Print DNA software suite gets your printer up and running quickly and securely

---

**ZT400 Series**
Sturdy, simple, smart

Rugged durability, designed to grow with your evolving business needs.

**Features**
- 4.3-inch full-color touch display for quick settings changes
- Tool-less printhead and platen roller replacement
- RFID available on both 4-inch and 6-inch widths
- RFID On-Metal solution available for ZT411 (203 and 300 dpi only)

**Portfolio Differentiators**
- Moderate- to high-duty cycle with a wide variety of features
- Ideal for industrial environments
- Print DNA software suite gets your printer up and running quickly and securely

---

**ZT510**
Essential features for heavy-duty printing

An ideal balance between performance and value with essential features for heavy-duty printing.

**Features**
- All metal construction supports continuous performance without throughput delays
- Icon-based, multilingual graphical LCD user interface is intuitive to operate

**Portfolio Differentiators**
- Limited feature set
- High-duty cycle for mission-critical operations in the toughest environments
- Print DNA software suite gets your printer up and running quickly and securely

---

**ZT600 Series**
Intelligence and industrial brawn

Industrial strength and full featured for every challenge.

**Features**
- All metal construction supports continuous heavy-duty performance with high throughput
- Intuitive full-color, 4.3-inch color touch display or icon-based, multilingual graphical LCD user interface

**Portfolio Differentiators**
- Wide variety of features
- High-duty cycle for mission-critical operations in the toughest environments
- RFID available on both 4-inch and 6-inch widths
- Print DNA software suite gets your printer up and running quickly and securely

---

**ZE500**
Mission critical doesn't compromise

OEM print engine for print-and-apply labeling applications.

**Features**
- Intuitive full-color, 4.3-inch color touch display that can be rotated
- High print speeds to keep up with fast paced operating lines
- Industrial all-metal construction
- Designed to be integrated into a print-and-apply solution

**Portfolio Differentiators**
- RFID available on 4-inch and 6-inch print width models
- High-duty cycle in the toughest environments
- Print DNA software suite gets your printer up and running quickly and securely
Desktop Printers
Made to fit your needs, space and budget

Zebra desktop printers are compact, simple to operate and offer the durability your business demands for low- to mid-volume printing. Don’t sacrifice performance for savings. Zebra has a desktop printer at every price point for all your barcode label, receipt, wristband and RFID applications.

### ZD200 Series
Unmistakable quality at an exceptional value

Simple operation, basic feature set, exceptional value.

**Features**
- Two-year standard warranty
- 4-inch print width, compact design, easy media loading
- Quality dual-wall construction
- USB connectivity, single LED status

**Portfolio Differentiators**
- Value-class printer offers reliability at an affordable price
- Core set of Print DNA Basic applications and capabilities

### ZD411
The “fits anywhere” printer

Advanced, “fits anywhere” 2-inch printer, easy to use with an intuitive interface.

**Features**
- Multiple options (peeler, cutter, Ethernet, battery)
- Variety of connectivity options
- Healthcare model is easy to disinfect
- 203 and 300 dpi available
- Two-year standard warranty

**Portfolio Differentiators**
- Designed to fit almost anywhere and support virtually any 2-inch printer use case
- Print DNA software suite gets your printer up and running quickly and securely

ZQ300 Series
The little printers that deliver big value

Printer series designed specifically to address vertical market applications.

Features
• Mid-range 2- or 3-inch printers for moderate receipt, label and linerless printing
• Multiple charging options available for use in-vehicle or in a settlement room, including convenient USB charging
• Better battery management with high-capacity PowerPrecision+ battery, sleep mode and power smart print technology

Portfolio Differentiators
• Different designs based on vertical application
• Common accessories for use with both the ZQ300 and mobile computers for lower TCO
• Print DNA software suite gets your printer up and running quickly and securely

ZQ500 Series
For the rough and tumble world

The industry’s most rugged mobile printer.

Features
• High-duty cycle receipt and medium-duty cycle label printing on-the-go
• Fast print speed with up to 5 ips
• Full range of accessories including an exoskeleton for extra ruggedness
• Cloud Connect and simultaneous WLAN/Bluetooth®

Portfolio Differentiators
• IP54 rating out of the box without a protective case, IP65 when using the exoskeleton case
• Tumble tested per the IEC 68-2-32 spec to handle 1,300 tumbles from 3.3-feet
• 6.6-foot drops to concrete, 10-foot drop to concrete when using the exoskeleton
• MIL-STD-810G: shock, vibration and temperature exposure
• On-demand UHF RFID printing and encoding
• 2-year standard warranty (ZQ511/ZQ521)
• Print DNA software suite gets your printer up and running quickly and securely

ZQ600 Series
Zebra’s most versatile mobile printer series

Latest wireless connections for fast, reliable and secure printing.

Features
• Optimized for heavy-label printing with receipt printing capabilities
• Large color display for easy configuration and operation
• Comprehensive remote management tools
• Superior battery power and power management with PowerPrecision and Power Smart Print Technology

Portfolio Differentiators
• Widest variety of accessories including forklift mount and Ethernet cradle
• Healthcare model available
• On-demand UHF RFID printing and encoding (ZQ630 only)
• Print DNA software suite gets your printer up and running quickly and securely
Zebra card and badge printers make it easy to connect, create and print high-quality, durable cards for a variety of applications. Whether you’re printing ID cards, hospitality badges or financial cards, Zebra printers offer the security, supplies and software you need for a full solution.

**ZC100**
**Simple, secure, single-sided printing**

Compact size facilitates front-office deployments.

**Features**
- Easy to use
- Quick access to service and support tools
- Tips through NFC and QR code tags

**Portfolio Differentiators**
- Single-sided printing
- Optional magnetic stripe encoding

---

**ZC300 Series**
**You’ve tried hard, now try easy**

Easy set-up with painless plug-and-play deployment.

**Features**
- Single- or dual-sided printing
- Multiple encoding and connectivity options
- Support for multiple languages

**Portfolio Differentiators**
- Highly graphical, color LED interface with well-tested icons, animations and messages
- Intuitive card feeder automatically adjusts for varying card thickness
- Printer cover lock prevents theft of card stock

---

**ZC10L**
**Exceptional large-format cards and badges**

Edge-to-edge personalization, rugged design.

**Features**
- Single-sided dye sublimation printer
- Color and monochrome ribbons (RFID tagged)
- Specialized PVC cards

**Portfolio Differentiators**
- Prints large, oversized cards and badges
- Edge-to-edge printing
- All metal construction to handle shock, bangs and bumps
**ZXP Series 7**
Highest operational efficiency with great output

Fast and effortless card printing.

**Features**
- Processes up to three jobs simultaneously
- Quick access to service and support tools
- Tips through NFC and QR code tags
- Waste-free, single- or dual-sided lamination
- Single- or dual-sided printing

**Portfolio Differentiators**
- Robust design for a variety of applications
- High-capacity ribbon rolls require less operator time to change supplies
- UHF RFID encoding and 802.11 b/g wireless connectivity

---

**ZXP Series 9**
Fast throughput with fantastic output

Ensure security with built-in fraud protection.

**Features**
- Stunning photo-like cards
- Data encryption, host authentication and custom holographic laminates
- Edge-to-edge card printing

**Portfolio Differentiators**
- Zebra’s only retransfer card printer
- Dual-sided simultaneous retransfer process provides encoding and laminating throughput
- Transfer film easily shows tamper evidence, providing built-in fraud protection

---

Zebra Print DNA
Your printer’s built-in advantage

With advances in technology continuously accelerating, it’s the software inside your printers that determines whether they remain relevant, agile and high-performing with a strong ROI over their entire lifecycle. That’s why Zebra printers come with a built-in advantage: Zebra Print DNA.

Integrate
Effortlessly customize and integrate your printer apps for multiple environments and infrastructures

- Securely connect printers into cloud-based apps
- Integrate apps into systems with less cost and effort
- Add label and receipt printing to mobile solutions

Optimize
Offer everyone super simple, reliable printing to make their job so much easier to do

- Emulate legacy command languages
- Ensure continuous output with battery insight
- Quickly pair printer with mobile devices

Manage
Enable IT to remotely and conveniently manage and maintain printers anywhere, anytime

- Minimize printer management time and costs
- Assess real-time metrics on printers
- Connect printers to popular EMM solutions

Secure
Give IT the ability to uncover potential printer security vulnerabilities and defend against cyber attacks

- Auto-update Wi-Fi certificates
- Uncover vulnerabilities by comparing settings against security best practices
- Only allow software and firmware signed with approved keys to execute

Deploy
Accelerate printer fleet rollouts with an easy-to-use setup wizard, remote access and streamlined steps

- No specialized knowledge required
- The setup wizard detects your printers
- Create a profile and send to many
Zebra Global Services
Maximize uptime and ROI

Constant, peak performance and device uptime.
That’s the upside of protecting your Zebra investment
with our maintenance services. Eliminate unexpected
disruptions, unbudgeted repair expenses and so
much more. Whether you need comprehensive
coverage, advanced device replacement, on-site
support, assistance with technical issues and device
firmware support, or visibility into your contracts,
repair data or tech support cases, there’s a Zebra
service that’s right for you.* And you can optimize
and customize your plan to fit your specific business-
critical needs with additional flexible service
enhancements that provide expedited repair and
shipping, battery maintenance, device commissioning
and configuration, managed services and more.
Zebra’s portfolio of services provides expertise every
step of the way.

Zebra OneCare™ Maintenance Plans
Zebra plans protect the investment in the devices
that run your business by maximizing predictable
performance and uptime to support your critical
operations and improve business outcomes.

Zebra Signature Services
Zebra Signature Services makes it easier to integrate
new technologies into your existing IT environments
and workflows. Data insights from edge technologies
can open up new business opportunities, but without
the right skills or resources, you could miss out on
the full benefits. Zebra Signature Services gives you
the expertise to optimize the adoption of edge-data
solutions to run your business more productively.

Learning Services quickly brings employees up to speed
with a variety of modalities like Video on Device, Know
It Now, instructor-led training and virtual-led training
sessions that support rapid return on your technology
investments.

Software Integration creates a migration pathway
for legacy mobile apps to help you quickly and cost-
effectively customize mobile applications into your
Zebra mobile devices, making it easier for you to
manage your software.

Zebra VisibilityIQ Foresight™
Provides device health and utilization insights. The
insights provide historical data trending, current state
health and actionable predictive intelligence on what
will occur if no action is taken. Its multi-source data
aggregation and machine learning algorithms deliver a
consolidated solution that provides color-coded insights
with threshold alerts about your device inventory.

Zebra VisibilityIQ™ OneCare™
Included in all Zebra OneCare maintenance plans for
Zebra mobile computers and scanners. Cloud-based
visibility into reports and analytics related to device
repair and case trends, contract renewals, LifeGuard™
security status and more.**

* Service availability, Service feature and/or repair turnaround time may differ by country.
Please contact your Zebra sales representative for details.
** VisibilityIQ OneCare available for mobile computers and scanners only.
