

CDW-G FEDERAL CONTRACT OFFERINGS: 2019

CAPABILITIES

We have the contracts to help you solve your IT needs.

800.808.4239
CDWG.com/federal

Better missions start with better IT

Technology is transforming the way the Federal Government handles mission-critical tasks ranging from combating security threats to communicating and collaborating with widely dispersed personnel. At CDW-G, we understand the challenges you face and the pressure you're under. CDW-G holds a wide range of federal contracts so you can procure the technology you need without missing a beat. Our dedicated, knowledgeable account teams lead the industry in public-sector customer service and product knowledge and they're here to help you every step of the way.

**Let us help you orchestrate a solution that makes sense for your agency.
Call 800.808.4239 or visit CDWG.com/federal to get started.**
