Flexible payment solutions

Like most enterprises, you probably have equipment from multiple vendors in your IT environment that you are holding onto for longer than you would like - desktops, notebooks, servers, storage, networking equipment that no longer meets the current and future needs of your business. HPE Financial Services can help you execute your IT strategies across the entire technology estate, from edge-to-cloud, to end user devices, with sustainability built-in.

Create stronger customer outcomes

Don't be locked into holding on to aging IT assets and delaying your modernization efforts. HPE Technology Refresh Program provides a cost effective way to refresh HPE and non-HPE equipment and ensure that you maximize capacity through access to capital, optimization of IT spend, and manage your entire IT asset estate sustainably.

Eligible equipment

| Business Desktops & Notebooks | Servers | Storage | Networking |
|-------------------------------|---------|---------|------------|
| HP | HPE | HPE | HPE |
| Dell | Dell | | Cisco |
| Apple | Cisco | | |
| Lenovo | | | |

Other equipment

Other select HPE hardware and non-hardware items (e.g., software, software appliances, services, and installation) may be bundled at standard finance rates; subject to credit approval.
