

# 100% Software Financing From LEAF

With software continuing to increase as a percentage of IT budgets, the upfront cost can be overwhelming. A financing option can provide a manageable payment plan over the licensing term.

Virtualization Software	Security Software	Systems Optimization Solutions	Productivity Suites
-------------------------	-------------------	--------------------------------	---------------------

Multi-year discounts are even more attractive with financing. You're able to effectively receive the discount with fixed payments and financing options that can also include other soft costs like services, installation, and training costs.

 <p><b>Total Solution Financing</b> Finance your entire technology solution, including hardware and up to 100% of software and services.</p>	 <p><b>Fixed Payments</b> Monthly, quarterly, semi-annual, and annual payments are available to optimize your budget.</p>
 <p><b>Brand Neutral Solutions</b> Eligible equipment for financing is not limited to one brand or product type.</p>	 <p><b>Flexible Terms</b> Payment deferrals, step payments, and other various structures are available.</p>
