

Complete Leasing and Financing Solutions

If you can design a solution that meets your unique needs, why not bring in the best-of-breed in financing to acquire it? With the backing of a \$30 billion global parent (Arrow Electronics, Inc.) and more than 50 years of industry experience, Arrow Capital Solutions is positioned to enable your growth.

ARROW
CAPITAL SOLUTIONS

Why Have a Financing Strategy?

- > Preserve capital
 - Optimizes budgets and allows cash to be used in more effective ways
- > Increased credit capacity
 - Alternate source of acquisition
- > Accelerate projects
 - Acquire the equipment you need now and pay over time
- > Effective financial strategy
 - OpEx vs. CapEx
 - Maximize tax advantages
 - Buy what appreciates and lease what depreciates
- > Effective IT equipment management strategy
 - Renewal/refresh/recycle
 - Lowers total cost of ownership

Payment Solutions For Everything You Buy

Any mix of hardware, software and services, including:

- Perpetual and subscription software licenses
- Software renewals
