CDW Amplified™ Support  
SanitizeIT

At CDW, we understand that protecting your students, faculty and staff is paramount to you. As you prepare to bring people back into your institutions, CDW can help you properly sanitize devices that are returning to your campus. We will work with you to create a sanitization plan that includes collecting devices brought into the campus environment and disinfecting them in accordance with OEM standards, WHO guidelines and CDC requirements – helping you to lower the spread of germs and provide a safer environment.
