CDW Amplified™ Support
SanitizeIT

At CDW, we understand that protecting the people within your organization is paramount to you. As you prepare to bring people back into your facilities, CDW can help you properly sanitize devices that are accompanying them. We will work with you to create a sanitization plan that includes collecting devices brought into the building and disinfecting them in accordance with OEM standards, WHO guidelines and CDC requirements – helping you to lower the spread of germs and provide a safer environment.
